THE SEVENTH POWER OF WRATH

THE UNOFFICIAL WINTER CATALOG 2024

Yet another month has disappeared from my 1987 desktop calendar.

Yes! I do understand that this is not 1987 but, it was on discount down at the Dollar Store and, Campers, a discount at the Dollar store is nothing to easily walk away from.

It kind of works, at least, the months are the same but, I do need to make adjustments on matching up the actual days of the week.

Do you know how much this has allowed me to save towards the core basics of a livable life like Cuban Rum and Cigars?

The surprising answer is a lot, well sort of,

especially if you have ever been forced to price new calendars down at the Big C (Asia's version of the big box store).

Why have I wasted so much type to illustrate such a stupid topic, as you already know how cheap I am?

It is to show you what utter poverty truly looks like and has forced upon me by them good old boy, economic, slave masters from WWWG Plantation who in some grand, corporate master class of brow-beating and thuggish threats to cut off my pitiful expense account unless I finished this project.

So, here we are? Got a smoke, buddy?

中国疾病预防控制中心

CHINESE CENTER FOR DISEASE CONTROL AND PREVENTION

日期：武漢...下午 3:45 中國疾病預防控制中心 (CCDC) 於今天 13:55 發布了關於埃米爾殭屍樣本在各個城鎮的新爆發的第 3 級警告。從伯班克（美國加利福尼亞州）以外的非法樣本實驗室釋放。請注意，我們的武漢辦事處轉發了我們的辦公室，他們的建議是這些殭屍樣本與美國黑幫正在進行的非法 GAIN OF FUNCTION (GOF) 樣本研究之間發現了聯繫。在對這些殭屍樣本進行緊急同行評審後表明迫切需要向所有相關的外地辦事處、WHO（而不是樂隊！）和國家 WHWPEWAWO（儘管我們自己是白人時我們恨白人）事務台廣播這個 3 級警報在美國。

Date: Wuhan... 3:45 PM The Chinese Center for Disease Control and Prevention (CCDC) issued a level 3 alert today at 13:55 for a new outbreak of Emil Zombie Samples in various towns. Released from illegal sample labs outside Burbank (CA, USA). Note that our Wuhan office forwarded our suggestion that a link was found between these zombie samples and the ongoing study of illegal GAIN OF FUNCTION (GOF) samples by American gangsters.

An urgent need to broadcast this level 3 alert to all relevant field offices, the WHO (not the band!) and the national WHWPEWAWO (we hate white people when we ourselves are white) after an urgent peer review of these zombie samples America.
